

SCHOOL INFORMATION MANAGEMENT SYSTEM

Training HandBook

➤ Login Page:

This is the Login Page. In this we have to enter School Code in the place of User name and Password in the place of password. After that Click the Login Button

The screenshot shows the login interface of the School Information Management System. At the top, there is a header with the system name and the Government of Andhra Pradesh logo. Below the header is a large image of school children. The login form consists of two input fields: one for the School Code (with a person icon) and one for the Password (with a lock icon). A yellow 'Login' button is positioned below the password field. The footer contains the version number 'V1.3', the DeviceID '111111111111', and the text 'Designed & Developed by APOnline'.

➤ Home Page:

This is the Home Page of our Application.

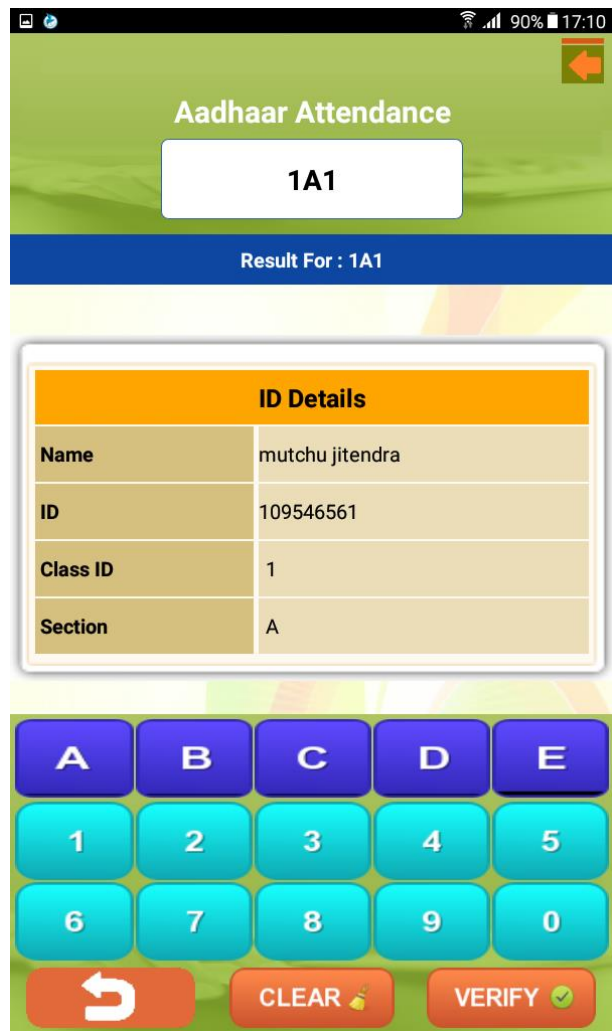

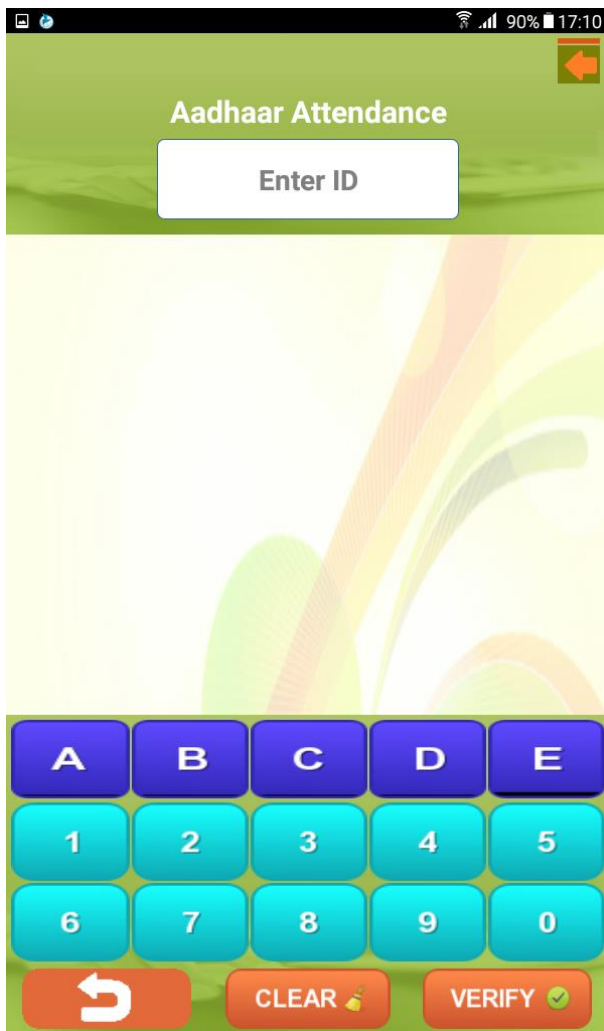

- After clicking the login button the data of that particular School will be downloaded from the server and visible on the screen.

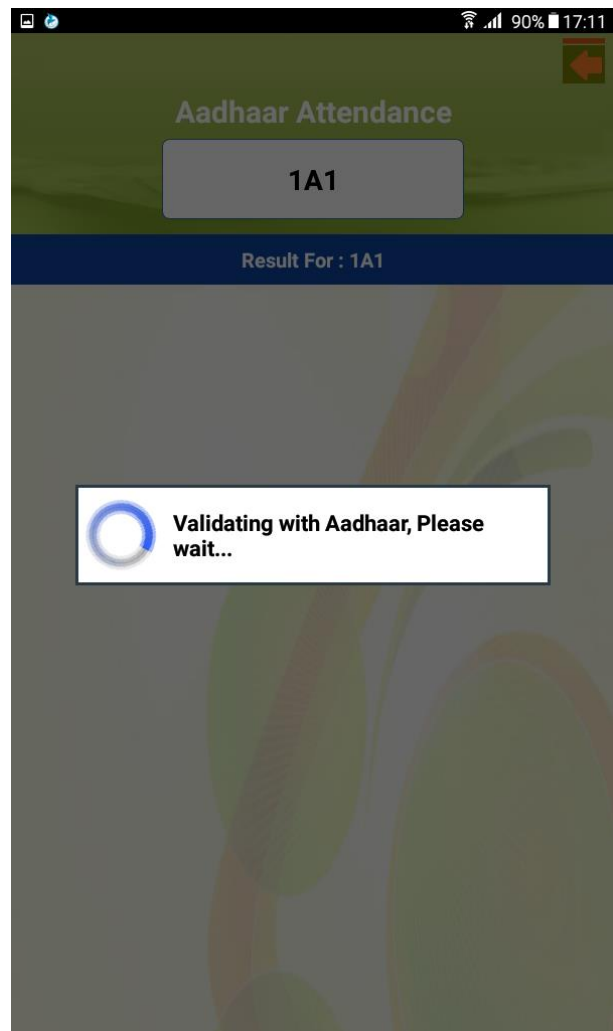

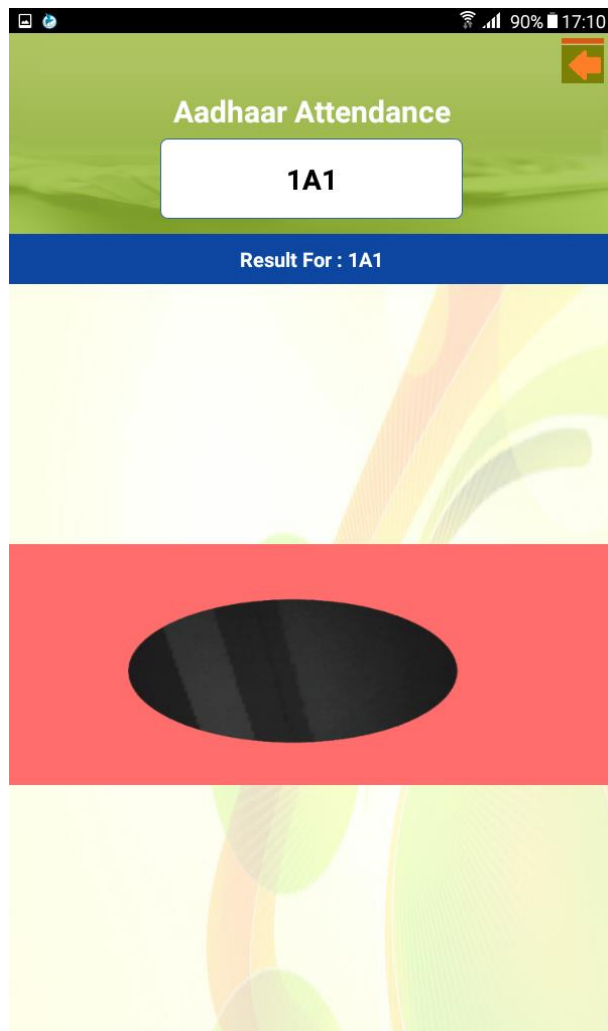

➤ In this screen four buttons were provided.

1. Attendance Capture
2. Update Student Roll ID and Section
3. Reports
4. Data Sync

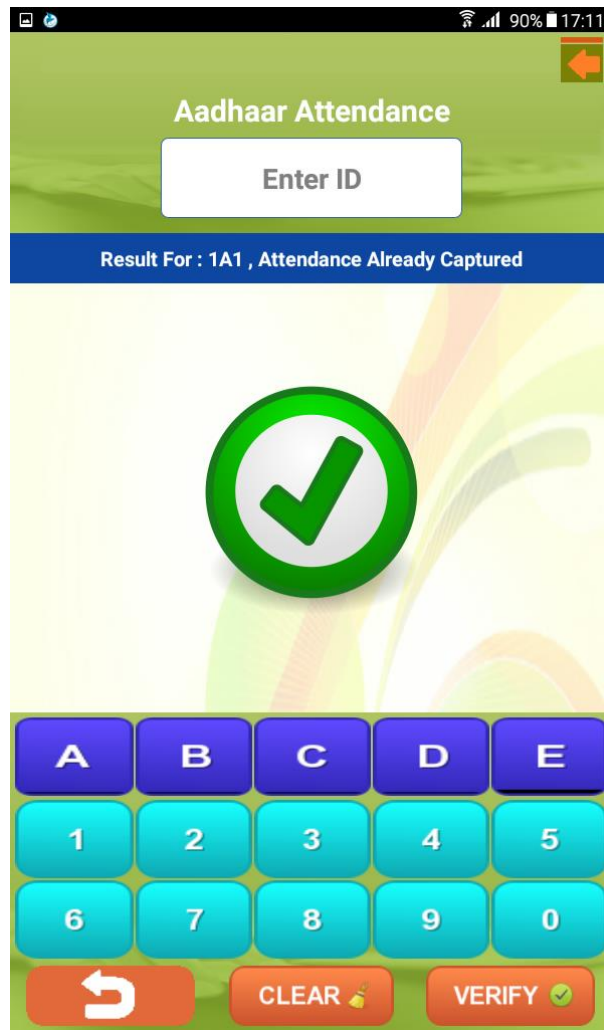

➤ Click the Attendance Capture button. Then the below screen will appear.

- Enter Roll ID in the field “Enter ID”.
- Then the details of that ID will appear on the screen.
- After that click verify button and place your eye on the IRIS Scanner.

- It will verify your details with Aadhaar Server.
- For successful verification we will get a tick mark screen as shown in below picture.

- This screen indicates that the student details matched with the Aadhaar server.
