Your Pay will be fixed at the Min Basic of your Post Scale in the Revised Pay Sale 2015 as per your Master Scale. Your increments after 1.7.2013 will be added as usually..

Thanks for replying sir. Will Revised Pay Scales 2015 as per Master Scale will be based only on PRC recommendation or will these scales be based on final fitment as decided by Govt.

Hi, I am mahesh.  
after getting the master scale in 2015 ,What will be the DA ?  
is it same as on 1-7-2014 or something else?

saambasp ★ 14 December 2014 at 20:34

if fitment is 32% then new da,s reduce at 195.344% $[63.344+32+100]$   
calculations here  
 $77.896-63.344=14.552$ [upto 1.7.14]  
then  
 $14.552/1.95344=7.449$   
new da in jan 2015

is calculated at 7.449
